Company Overview:

Founded on the life-saving mission of empowering individuals and organizations through CPR and first aid education, JWR CPR has established itself as a trusted provider nationwide. Our commitment to excellence is evident in our certified instructors, engaging classes, and focus on exceeding customer expectations.

JWR CPR fosters a culture of employee empowerment, offering flexible schedules, autonomy, and opportunities for personal and professional growth. We believe in the value of our team members and their ability to make a positive impact within the community.

Position Overview:

JWR CPR seeks a passionate and dedicated individual to join our team as a CPR Instructor. This role requires delivering engaging and informative courses on life-saving techniques, including AHA BLS and ACLS CPR, AED usage, and first aid procedures. You will be responsible for demonstrating and explaining proper techniques, providing constructive feedback to students, and ensuring their understanding of certification requirements. Strong communication skills, a thorough grasp of the curriculum, and excellent customer service are essential for success in this role.

Position Responsibilities:

- Collaborate with the manager for bi-weekly and monthly scheduling
- Train individuals in AHA BLS and ACLS CPR
- Deliver engaging and energetic CPR courses
- Maintain a reliable, trustworthy, and dedicated work ethic

Position Benefits:

- Free training and certification as an AHA CPR Instructor (valued at \$800).
- Expand your network within the healthcare industry through interaction with doctors, nurses, and other professionals.
- Earn income on your own schedule. (Current instructors average \$800-\$1,000 per month).

- Enhance your resume and gain visibility from potential employers and graduate programs.
- Gain valuable experience and responsibilities in the medical field.
- JWR CPR provides marketing support, including sending confirmation emails, generating leads, and assisting with location success.

Position Time Requirements:

- Post a minimum of 12 classes per week (each lasting 45-60 minutes). **Note: On average, 60% of classes posted will have a student enroll. If no student enrolls in your class posted you are not liable to go.** On average our instructors work 6-8 hours weekly.
- Post at least 2 classes per weekend.
- Be available to receive emails, texts, and calls regarding scheduled classes.

Marketing & Partnerships:

JWR CPR proudly partners with leading organizations, including:

- Amazon
- NASA
- Crunch Fitness
- 8 FL-based gyms
- Advent Health
- 3 Medical Staffing Services
- Celsius Energy Drink
